2008

QUARTERBACKS
& RECEIVERS

Current 8th through 11th Graders
SATURDAY, JUNE 7 2008

MEET THE CAMP STAFF JERRY FRANKS - DIRECTOR

Coach Franks has coached quarterbacks at the high school and collegiate level for the past 35 years. He served as a Division I Offensive Coordinator at the University of Connecticut and coached quarterbacks and receivers at UCONN and the Naval Academy. He also was the recruiting coordinator during his tenure at Navy.

Franks began his head coaching career at DeMatha High School. He left DeMatha after building the program into a power and went to the Naval Academy.

Coach Franks returned to the high school ranks as Northern's (Calvert County) new coach. The first season he took a program with only one winning season in 15 years and led them to the state semi finals. After four years of success at Northern he went to Calvert High and produced a State Champion football team in four years. Prior to Franks' arrival, the school had never won more than 6 games in any season.

He jumped back into the collegiate level as offensive coordinator at UCONN. He returned to Northern High in 2002. During the 2003 season, his quarterback completed over 65% of his passes and was selected to the Washington Post First Team All Metropolitan Squad and received a full scholarship to college.

The Jerry Franks Football Camps provide young people with the opportunity to maximize their ability. Fundamentals and techniques are the keys to success at any level and this camp will emphasize the techniques needed for each individual at his stage of development.

In February, 2008 Coach Franks was inducted into the Maryland High School Football Hall of Fame.

CAMP COORDINATOR - RICK CONNOR

Coach Connor is the Head Football Coach at Linganore High School and will coordinate all activities for the camp. In 7 years as the head coach, his teams have compiled a record of 64 wins and only 17 losses while winning one state championship and being a state runner up another year.

QUARTERBACK – RECEIVERS CAMP

This camp will provide all of the offensive skill players with the fundamentals, techniques and knowledge to maximize their abilities. All campers will receive on field explanations by our outstanding staff and will develop their mental aspect of offensive football and defensive philosophy through classroom and video sessions. Quarterbacks will be coached on the grip, stance, drops, upper and lower body mechanics, sprint out, play action, screens, ball handling, reading defenses, decision making processes and leadership skills. Our staff will teach the wide receivers, running backs and tight ends the proper stance, start, releases, individual routes, catching, blocking and reading defenses.
